Dear Warren:

In the same mail with your request for more copies of more reports, I received the December At-Sea report which I am enclosing. Some time ago Dr. Ely told me you wanted copies of the October and November At-Sea reports but to date these have not been turned in to this office.

I would like to suggest that you read the progress reports from other areas which are on file in the Honolulu office. Because of the nature of the project, the policy on report distribution is to keep it as limited as possible and still have information available to as many project members as possible.

I have requested permission from Salt Lake to disseminate the recently prepared Annual Report, Sand Island Report and Addendum, At Sea Report w/ Addendum and Rat Ecology paper. To date I have not received this permission and all copies must be retained in Washington. I think Dr. Ely has one copy of each assigned to him on a temporary basis which you can read.

As for the Droppings, I would be delighted if you and any one else would send in some news. The original idea was to pass on information and each area was to contribute something to D.C. or send around some notes on their own. This hasn't worked too well, so I have taken the progress reports and misc. information received in this office each week and put what seemed of importance in the Droppings. More often than not lately I have turned this job over to a field man. Most of them feel that there isn't that much new

each week and fill the void with nonsense. Any and all help would be most appreciated.

I'm sorry that you feel uninformed, Warren, but I think you are fortunate to be where you can go to the Honolulu office and catch up. It is a much more difficult problem for those more isolated.

Sincerely,

Maryanna Smellow
Research Secretary

Dear Maryanna,

I would like to repeat my request to you for a faster and wider dissemination of progress reports to Pacific Project personnel in the field. It is obvious that the lack of current information on all other phases of the project is detrimental to the quality of new reports in general. I suggest also that an increased awareness of the work carried on in each phase of the project will promote initiative and improve morale. In addition it will make people more aware of information which has not been gathered but which ought to be. Lack of communication between phases of the project has always been a problem, not to mention between the workers themselves. This communication problem could be avoided in part by my suggestion. This applies especially to those who are shunted from one phase to the other as the occasion demands. It is difficult for them to get any feeling of continuity or purpose in their work. The droppings might have performed this function, but it seems more an outlet for humor and anecdote than for information at depth.

Happy holidays to all of you from all of us on the Cromwell.

Best,

Warren King

Dear Phil:

They say that the proof is in the pudding so here is your Christmas plum.

Sooty Tern # 753-73262, complete with orange tag, is merrily incubating an egg here at Wake.

Unless I am behind the times this may be the first definite proof of a sooty tern breeding on more than one island, assuming this bird was banded as a breeding adult.

Only about 50,000 terns here at the moment. Band returns so far indicate this is the same group that arrived last December. The colony has now been continuous for twelve months and still going.

Miscellaneous odds and ends present including at least four species of ducks. Have gotten several new island records.

Please have Maryanna or Mrs. Church send me the data on the tern.

Best wishes for a prosperous New Year.

Dear J.C.

As you probably know, Warren had the chicken pox and had to stay on board the ship. I got off luckily. I had to do all of his & was shopping among other things. I finally got around to looking up the band no's. I can't find any record of 757-89501-90000. I will look in the offshore banding equipment. I will inform you later if I find anything. I am sorry the banding schedule looks like hell, but I got talking to a ~~man~~ this afternoon on my way home and it started to rain, so things got wet. You will have to pardon me if I needed 2 forms for this, but this is the only form I have at the moment.

Dear Pollyanna:

As you can see I(Philip Nicholiiivonoviclobochesky Lehner) arrived safely on Johnston Island and looked across the lagoon to see that Sand Island was still(what a damned shame) but there are fewer birds, more beer, my guitar is here and there is a nice bed with clean sheets on it for me to wallow in so I decided to stay and make my residence here for the next couple months and met Dr. Kirkpatrick, who immediately became my very close friend and colleague and who also does most of the work which leaves me alone to delve into my repertoire of delicious memories of civilization where I once could shoot four letter words out my window and some woman would either faint or a siren would begin to wail and come in my direction while here all I get is a loud &*&*& which makes my attempt sound like Liberace trying to make time with Sonny Liston, so I've decided that the best way to stave off insanity is to cling to my memories and an old pair of banding pants which I carry over my shoulder at all times and chew on whenever I feel the world is pulling away from me which it appears to be doing as I watch waves disappear in the distance below the beautiful sunset which brings romance to my "mind" and I race back to my ward and whip out Fanny Hill and remind myself about all the things behind and then I pick up my guitar and strum the G string until my big toe begins to ache which causes me to chew harder into my bird banding pants and causes Doc to wretch and then I get angry for having caused so much discomfort and someone with a clothespin on his nose comes in and tries to grab my bird banding pants from me but crumples from asphyxia at my feet and forces me to run down the causeway in search of peace and quiet where I stick my head into a Wedgetail burrow where I encounter a very fecal situation and lack of air which usually causes my cigar to go out and I have to withdraw my head from the security of the burrow and face the reality that I have no matches and every square inch of both sticks on the island have layers of fresh frigate guano on them so I cannot rub them together to make fire but stick them in the pocket of my bird banding pants but they drop out on my way back to the ward and the civilization of Sand Island where I am forced to drag myself into the mess deck for breakfast but where I am thrown out because of my bird banding pants which makes me wonder why they call it a mess deck in the first place and secondly leads me to the statement that I am starving to death from lack of food and love and

Dear Maryanna,

It was a long hard road, though interesting, to reach the base of my Santa Marta massif. Now all I have to do is climb it. This task I will start today by hiring a jeep, truck, or burro to take me to Sograte, an Indian village that is the highest habitation. Even from here I can see the snow and it looks delightful!

Tell all one-continent year-listers they don't stand a chance. My list already contains such interesting species as the Pearl Kite, Wattled Jacana, Ruddy Ground Dove, and the Military Macaw. I'm still looking for Curassows, Tinamous, and the Plush-capped Finch.

If it is found that I must return to the field so soon after my return that I won't be able to give that lecture 6 Jan., please tell Tina, who knows who to call to cancel the advertisement, etc. By the way, who'd have thought Alabama would be on my way to S. Am.? A pleasant interlude I must say, and one I just might chance to repeat.

Dear Maryanna,

I did not like the service on the last shipment so I am enclosing the unopened rubber band box and three pages of gripes will follow in the next letter as soon as I can think up enough bull to fill that many pages. We ran the rubber band box through our dehydrating machine so just add water and presto (you know what happens to rubbers on heating so we are not responsible for any explosions or reprocussions which might occur when moisture comes in contact with this little box).

I am sorry to be such a grouch, but on my last order I distinctly remember ordering one 28 inch Bicycle tube and we did not recieve it in the last shipment. It was probably my fault for goofing of in ordering and you thought I was pulling your leg. In the future I will make two lists, one of things we need, and objects which would be nice for moral (if there is such a thing on an isolated station).

Supplies Definitely needed:

- 26 11 15
sent 2.
sent 3.
sent 4.
1. One bicycle tube (28 inch) our cycle will not run on its rim.
 2. Two foot long rulers, for general office work, nothing special or expensive.
 3. Two 6" rulers marked on in millimeters (clear plastic) to be used for measuring specimens.
 4. We need one role of the orange streamers material, un cut at least not cut up into strips smaller than two inches wide. Dr Fly wants us to experiment with wing bands on birds which will be easier to identify the streamers at greater distances.

Moral Factors:

1. Pack a sack lunch and place stamps on your head and ship yourself and all the secretaries likewise to Sand Island.
2. A shipment of good movies(even grade C would be better than the crap they have been showing here), the ones shown here lately were made before the invention of color.
3. Hawaiian swim suit, the surf is up (also a blond wig).

We are conducting an activity study every two hours tonight, the study takes about an hour so I am staying up all night and writing letters, Doc is trying to sleep between working. I am tired of feeling mice.

Dear Someone (Rating Official),

You may be denied the pleasure of our company even longer, since we are already two days late in departing this place and the second mate for whom we're waiting wasn't on this morning's plane. I hope you can bear up under this development - it won't be too much longer.

In response to all the remarks about the depressing quietness of the home office, we considered sending a bomb but rejected this on the grounds that it would get us in trouble with the janitors. We have agreed instead to wear our most audible aloha shirts.

That you are the "immediate supervisor who normally rates performance" sheds a rather interesting light on the Project hierarchy. Hereafter we all must remember to be on our best behavior in your presence, which of course means you won't be able to stand us.

Before I forget, I did want to ask that you be on the lookout for more greetings from my draft board. My deferred classification expires this month and I recall something about a physical coming up. With all this time in the field I'm liable to be able to pass it.

It's a dreary, overcast day and it's too early for the movie and too early to drink. I hope it snows in December.

Regards,
Ken Amerman

Dear Bill:

Please go over the following schedules with Dr. Ely while he is there and wire me an okay to write Bushman about orders.

The problems involved were:

- a) the arrivals of the ATF and Shearwater crews approximately December 1 and their need for a few days R and R before assignment,
- b) the continuance of at least one strong experienced man on Kure at all times and also on Sand - your obvious competitor.
- c) another ATF leaving January 15, and
- d) the need for all un-shot personnel to be in DC in December for shots.

None of these proved insurmountable, and I think the resulting schedule will please you. You and Ely should also decide when Norman Heryford should start work on the Midway-Kure areas.

A couple of other business notes come to mind: 1) please send McBee cards with specimens - 2) talk to Ely about your work-emphasis in December, January, February in DC.

Dear Maryanna:

We are still here in Kwajalein today and probably won't sail until tomorrow. The 2nd mate fell during the first part of the trip and hurt his back and the ship is waiting on a replacement for him. A plane is due in tonight, however it will be late. They hope he is on it. If not, the Captain is going to ask permission from MSTs to leave with only two people to stand watches on the bridge. This has been our first setback in an almost perfect trip. This will result in us not arriving in Honolulu on the 25th.

We have had excellent cooperation with the people (military and civilian) here at Kwajalein. We have obtained permission to do everything we need to do. This even includes collecting on the busy runway for several hours at a time. I have expressed our appreciation for all their efforts. Our main help has come from the Army Security Unit. I think a letter should also be sent from the SI, but wait until I return so that individual names can be mentioned.

We have collected 44 birds during our stay, all of them shore-birds and ducks. The more interesting ones include: 3 unidentified ducks, 2 Shovelors, Pintail, Tufted Duck (?), several Sharptails, Pintail Snipe(?), Wimbrel, Marbled Godwit, Black-bellied Plover, and 2 unidentified sandpipers. We have not found the Mynah as reported by Fosberg, but we have seen at least 3 English Sparrows which had not been recorded from here before. All three were seen at the same time and may even be nesting. They were in an area we could not shoot in however. We did put up a mist net, but have not as yet caught one. Our efforts have increased the bird species list from Kwajalein by 13 and possibly 14. We have now collected 184 birds for skins and 3 as skeletons.

Both Phil Lehner and Larry Huber will need more money when they get back to Honolulu if they are to stay in the field. Dr. Ely # wrote and asked Phil if he would like to go to Kure after this trip and Phil says that he would like to do so. Larry says that he would also prefer to stay in the field after this trip. I hope to call Dr. Ely before we leave. I have already received permission to do so.

All of our mail did not arrive at once as there was some delay somewhere. I think we have received most of it now. You will notice that I am not using SI envelopes and second sheets. Somehow none were packed. We also have no SI gummed labels. We have all read the droppings with much interest. The comment about bad landing was not correct. Both George and Roger ~~we~~ broke their glasses, but not during landings. We only got extra 7A bands since I thought we might need them, but at the rate we are going I doubt if we use them up.

I hope that I am still scheduled for a vacation during December. I certainly don't want to lose any accumulated vacation. Phil Lehner would like to be in D.C. during the early part of March, if possible. There is a meeting he would like to attend on March 8-10 which is being held in D.C.

THE MOST TROUBLED PERSON IN TOWN TODAY IS THE GUY WITH THE AUTOMATIC CALENDAR WATCH. HE STOPPED IN AT THE OFFICE THIS MORNING WITH A VERY WORRIED EXPRESSION ON HIS FACE, AND ASKED, "DOES ANYONE HERE REALLY UNDERSTAND ABOUT THIS KWAJALEIN DAY THING?" SEEMS HE'D BEEN TRYING FOR FOUR DAYS TO FIGURE OUT JUST WHAT TO DO ABOUT HIS WATCH, WHICH --AMONG ITS SUNDRY OTHER MECHANICAL TALENTS--AUTOMATICALLY ADVANCES ITSELF EVERY 24 HOURS TO THE NEXT DAY'S DATE. THIS IS SO CLEVER A WATCH, IN FACT, THAT IT IS EVEN CALIBRATED TO COMPENSATE FOR 28, 29, 30 AND 31 DAY MONTHS, IN THE ORDER IN WHICH THEY OCCUR. IT HAS NEVER, HOWEVER, HAD TO COPE WITH AN EIGHT DAY WEEK.

CONFIDENT THAT WE COULD HELP THE POOR FELLOW, WE PROCEEDED WITH THE FOLLOWING EXPLANATION.

"YOU SEE, KWAJALEIN IS LOCATED ALMOST IMMEDIATELY WEST OF THE INTERNATIONAL DATELINE. AS A CONSEQUENCE OF THIS GEOGRAPHY--AND THE FACT THAT THE UNITED STATES IS LOCATED EAST OF THE LINE--OUR DAY NEVER, OR ALMOST NEVER, COINCIDES WITH THEIRS. SO WHEN SATURDAY COMES ON SUNDAY, IT'S REALLY ALMOST MONDAY. THAT IS TO SAY, THAT WHEN YOUR WATCH SAYS THE 31ST HERE, FOR EXAMPLE, IT WOULD SAY THE 30TH BACK IN THE STATES--IF IT WERE SUCH A TIME OF DAY AS HADN'T YET OCCURRED HERE ON THE FOLLOWING DAY, WHICH WOULD BE THE 1ST OF THE FOLLOWING MONTH. TO EXPRESS IT MORE CLEARLY, SUPPOSE YOU WERE STANDING NEXT TO THE INTERNATIONAL DATELINE, ALTHOUGH THIS IS IMPOSSIBLE. IF YOU STEPPED ACROSS IT, YOU WOULD BE IN THE SAME TIME, BUT A DIFFERENT DAY. YOU SEE, YOUR TIME WOULD HAVE CHANGED 24 HOURS, BUT IN FACT NOT AT ALL."

AT THIS JUNCTURE, THE POOR BEWILDERED FELLOW WAS LOOKING PLAINTIVELY FROM HIS BEKNIGHTED WRISTWATCH TO YOURS TRULY AND BACK AGAIN, AND SUDDENLY BLURTED, "THANKS A LOT. I--UH, I UH--GOTTA GO!" AND DASHED OUT THE DOOR.

Dear Maryanna:

Aloha, etc. I've been working on details of planning in case we continue and from my notes it looks as if we forgot Jan. Even with a regular helper to do much of the leg work it will still be advantageous to have Jan ready at the phone and typewriter whenever I'm not here or am otherwise occupied. She will undoubtedly be doing this anyway so she might as well get paid and get credit for it, don't you agree. The system that we are now using seems to be pretty good.

The CROMWELL has been delayed at least one day to a breakdown. Bob Standen just called and the CROMWELL left this afternoon. The fellows goofed off most of the time I was in D.C. so I'm angry at the entire bunch right now. Not all, Bob Standen was given two errands this morning and accomplished both of them properly in record time.

Mailman just came

Maryanne —

early Nov., 1964

Prof. I've got the same
cold that I've had in 2 or 3
years (yes, here in Sunny Hawaii).
David came down with it first +
then me. Chuck only left for
Kure to get away from the sick
people.

The Killat is now staying in
port because of high winds +
small craft warning. They were
supposed to leave this morning for
one week's fishing trip but now
will be delayed 1 or 2 days. They
still plan to be back by next Monday
(if they get into dry dock). Anyway,

Stanley needs money, guess,
I've already loaned him \$200
that went for the rental car, so
as soon as Probateal permits,
I could use an advance.

Binson tried again yesterday to
Call from Kivay. but we only
talked a few minutes before we
lost the connection. Shearwater
will be delayed (due to 2nd Mate's
accident + wait for replacement) until
about Nov. 30. They are now
running 5 days behind schedule.

Nothing else new from here —
except rain & rain. Where is that
lovely sun Shane?

EMBASSY IN POLAND TAPPED FOR SOUND

WASHINGTON(UPI)--A CONCEALED MICROPHONE SYSTEM HAS BEEN DISCOVERED IN THE RECENTLY BUILT U.S. EMBASSY BUILDING IN WARSAW, THE STATE DEPARTMENT REVEALED TODAY.

A SPOKESMAN SAID THE LISTENING DEVICES WERE APPARENTLY INSTALLED IN THE EARLY STAGES OF CONSTRUCTION OF THE BUILDING, WHICH BEGAN IN 1960.

THE SYSTEM WAS SAID TO BE SIMILAR TO A NETWORK OF MORE THAN 40 MICROPHONES EARLIER FOUND SECRETED IN THE WALLS OF THE U.S. EMBASSY IN MOSCOW. DISCOVERY OF THE MOSCOW BUGGING WAS ANNOUNCED LAST MAY 19.

THE STATE DEPARTMENT SAID THE DEVICES IN WARSAW WERE DISCOVERED OCTOBER 7. IT DID NOT DISCLOSE HOW MANY MICROPHONES WERE FOUND.

U.S. READY TO TALK ON U.N. FINANCING

WASHINGTON(UPI)--THE UNITED STATES IS READY TO DISCUSS UNITED NATIONS FINANCING WITH RUSSIA IF THE SOVIETS HAVE SOME "CONSTRUCTIVE PROPOSALS," A STATE DEPARTMENT SPOKESMAN SAID TODAY.

THE SPOKESMAN SAID THESE DISCUSSIONS WOULD NOT NECESSARILY BE BI-LATERAL TALKS; OTHER NATIONS PROBABLY WOULD BE WILLING TO JOIN.

THE UNITED NATIONS FACES A MAJOR CONSTITUTIONAL CRISIS WHEN THE GENERAL ASSEMBLY RECONVENES, PROBABLY AROUND DECEMBER 1, OVER REFUSAL OF RUSSIA AND OTHER COUNTRIES TO PAY U.N. PEACEKEEPING COSTS. UNDER ARTICLE 19 OF THE CHARTER THEY CAN BE DEPRIVED OF VOTING RIGHTS.

THE UNITED STATES HAS STRONGLY URGED ENFORCEMENT OF ARTICLE 19. THE RUSSIANS HAVE WARNED THAT HIS MIGHT SERIOUSLY DAMAGE THE WORLD ORGANIZATION.

THERE HAS BEEN RECENT SPECULATION AT THE U.N. THAT THE UNITED STATES AND RUSSIA MIGHT GET TOGETHER FOR COMPROMISE TALKS. IN REPLY TO SUCH REPORTS, STATE DEPARTMENT SPOKESMAN ROBERT J. MCCLOSKEY SAID NO ARRANGEMENTS HAVE BEEN MADE FOR SUCH TALKS.

"WE--AND I AM SURE OTHER U.N. MEMBERS--ARE ALWAYS READY TO TALK IF THE RUSSIANS HAVE CONSTRUCTIVE PROPOSALS TO OFFER," MCCLOSKEY SAID.

AUSTIN(UPI)--GYPSIES FROM ALL OVER THE U.S., SOLEMN AND DIGNIFIED, MOURNED TODAY AT THE LAST RITES OF THEIR PRINCE, 15-YEAR-OLD MILLER EVANS, WHO KILLED HIMSELF FOR LOVE.

THE YOUTH, PRINCE OF THE E. EVANS TRIBE, SHOT HIMSELF TUESDAY NIGHT AFTER HIS PARENTS REFUSED TO LET HIM MARRY A 15-YEAR-OLD GYPSY GIRL FROM CALIFORNIA. HE DIED IN AN AUSTIN HOSPITAL THURSDAY.

WHO FELL ASLEEP?

NEW YORK(UPI)--THE NEW YORK HERALD TRIBUNE TODAY WANTED TO KNOW "WHO FELL ASLEEP AND WHAT HAPPENED" IN VIET NAM.

THE NEWSPAPER, COMMENTING EDITORIALY ON THE VIET CONG RAID ON A U.S. BASE NEAR SAIGON THAT KILLED FOUR AMERICANS AND DESTROYED AND DAMAGED 20 JET BOMBERS, SAID:

"THE COMMUNIST VIET CONG...HAVE SCORED ONE OF THEIR MOST DRAMATIC VICTORIES OF THE WAR. THEY DEMONSTRATED THE ABILITY OF THEIR GUERRILLAS TO DELIVER A BRUISING BLOW.

"IF WE CAN'T SECURE OUR SOLDIERS AND BOMBERS FOR A DISTANCE OF 800 YARDS IN SOUTH VIET NAM, THEN THEY HAVE NO BUSINESS BEING THERE. WHOEVER PUT THEM THERE OBVIOUSLY WAS CONFIDENT HE COULD SECURE THEM OVER A MUCH GREATER DISTANCE THAN THAT.

"THEN WHO FELL ASLEEP AND WHAT HAPPENED? THE QUESTION NEEDS ANSWERING."

ATTEMPT PEACE TALK WITH RUSSIA-CHINA

MOSCOW(UPI)--COMMUNIST LEADERS FROM EASTERN EUROPE ARE TRYING TO ARRANGE PEACE TALKS BETWEEN THE SOVIET UNION AND RED CHINA, IT WAS RELIABLY REPORTED TODAY.

EAST EUROPEAN DIPLOMATS SAID THE EFFORT IS DESIGNED TO GET THE TWO FEUDING COMMUNIST GIANTS TOGETHER AT THE CONFERENCE TABLE AND HEAD OFF AN IDEOLOGICAL SHOWDOWN HARMFUL TO WORLD COMMUNISM.

THE "MIDDLEMAN," OR "HONEST BROKER," ROLE IS AN ATTEMPT TO OBTAIN MOSCOW-PEKING ACCOMMODATION ON SUCH POINTS OF DISPUTE AS CHINA'S CLAIM TO TERRITORY IN SOVIET ASIA, THE CHINESE DRIVE FOR A MORE MILITANT ANTI-WESTERN POLICY AND RIVALRY FOR COMMUNIST LEADERSHIP.

THE "MIDDLEMAN" EFFORT WOULD INCLUDE AN ATTEMPT TO POSTPONE THE KHRUSHCHEV-PROPOSED DECEMBER 15 MEETING OF 26 COMMUNIST PARTIES TO PLAN A WORLD CONFERENCE NEXT YEAR. KHRUSHCHEV THREATENED TO USE THE DECEMBER MEETING AS A SPRINGBOARD FOR READING THE CHINESE OUT OF THE WORLD COMMUNIST MOVEMENT. PEKING ANNOUNCED IT AS A KHRUSHCHEV PLOT FOR ATTACKING THE CHINESE.

DIPLOMATIC QUARTERS SAID THE MEDIATION EFFORTS WOULD CONTINUE THROUGH THE NOVEMBER 7 CELEBRATIONS HERE OF THE 47TH ANNIVERSARY OF THE BOLSHEVIK REVOLUTION.

ROME(UPI)--ITALIAN COMMUNIST PARTY LEADER LUIGI LONGO SAID TODAY THAT OUSTED SOVIET PREMIER NIKITA KHRUSHCHEV HAD HIS GOOD AND BAD POINTS, BUT CAREFULLY AVOIDED LAYING DOWN ANY PARTY LINE ON HIS DISMISSAL.

LONGO, WHO TOOK OVER THE PARTY RECENTLY AFTER THE DEATH OF LONG-TIME LEADER PALMIRO TOLLI, MADE THE STATEMENTS IN A LENGTHY INTERVIEW WITH THE FRENCH WEEKLY EXPRESS. THE INTERVIEW WAS RE-PRINTED IN TODAY'S EDITION OF THE COMMUNIST NEWSPAPER UNITA.

"IT SEEMS TO ME, EVEN IN THE LIGHT OF THE LATEST DEVELOPMENTS, THAT THE PERSON AND THE ACTIONS OF COMRADE KHRUSHCHEV...REMAIN ESSENTIAL ELEMENTS OF A VERY IMPORTANT HISTORY MOVEMENT," LONGO SAID.

COUNTDOWN:FIFTY-ONE DAYS TIL CHRISTMAS.

FINAL HARRIS' POLL SHOWS LBJ VICTORY

WASHINGTON(UPI)--THE FINAL HARRIS POLL TODAY SHOWED PRESIDENT JOHNSON LEADING BARRY M. GOLDWATER BY A 62 TO 33 PERCENT MARGIN WITH 5 PERCENT OF THE VOTERS STILL UNDECIDED.

THE POLL BY LOUIS HARRIS, COPYRIGHTED BY THE WASHINGTON POST CO., SAID THAT WHEN THE UNDECIDED VOTE IS APPORTIONED BY A STANDARD FORMULA, THE RESULT GIVES JOHNSON 64 PERCENT AND GOLDWATER 36 PERCENT IN TOMORROW'S U.S. ELECTIONS.

THE FINAL SECRET-BALLOT SAMPLING WAS COMPLETED SATURDAY.

OF THE RESULTS, HARRIS COMMENTED: "THERE IS A TREND TOWARD A MASSIVE JOHNSON VICTORY IN THE 60 TO 70 PERCENT RANGE, A LANDSLIDE BY ANY DEFINITION."

HE ALSO REPORTED THAT THE FINAL TABULATION SAW JOHNSON SCORING A 6 PERCENT GAIN IN THE SOUTH, PUTTING HIM AHEAD OF GOLDWATER IN THAT REGION BY A 52 TO 48 MARGIN.

THE POLLING EXPERT ALSO SAID HIS FINDINGS CREDITED JOHNSON WITH THE PROSPECT OF COLLECTING 74 PERCENT OF THE VOTE IN THE EAST, 62 PERCENT IN THE MIDWEST AND 61 PERCENT IN THE WEST.

SHEER INCOMPETENCE BLAMED FOR SUCCESS OF VIET CONG ATTACK

PHOENIX(UPI)--SENATOR BARRY M. GOLDWATER TODAY ACCUSED THE JOHNSON ADMINISTRATION OF "DERELICTION OF DUTY" AND BLAMED THE LATEST VIET CONG ATTACK, WHICH DAMAGED U.S. JET AIRCRAFT, ON "SHEER INCOMPETENCE."

HE SAID ADMINISTRATION LEADERS WERE WARNED OF INADEQUATE AIRFIELD DEFENSES IN VIET NAM WITHIN WEEKS BEFORE THE ATTACK AND APPARENTLY THE WARNINGS WERE IGNORED.

HIS STATEMENT ON THE VIET CONG ATTACK WAS HIS SECOND IN TWO DAYS. IN A TELEVISION INTERVIEW YESTERDAY, HE SAID THE ATTACK, WHICH DESTROYED SIX B57 JET BOMBERS AND COST FOUR U.S. LIVES, MIGHT HAVE BEEN MADE BECAUSE THE COMMUNISTS WANT JOHNSON AND NOT GOLDWATER IN THE WHITE HOUSE. HE DID NOT FLATLY ASSERT SUCH A POLITICAL MOTIVATION, HOWEVER.

TODAY GOLDWATER CONCENTRATED HIS FIRE ON THE JOHNSON ADMINISTRATION, DEMANDING AN EXPLANATION OF THE ATTACK FROM THE "CIVILIAN STRATEGISTS WHO HAVE LET THE WAR IN VIET NAM DRIFT RIGHT UP TO ITS PRESENT BRINK OF DISASTER."

NEW DELHI(UPI)--RUSSIA'S NEW LEADERS HAVE GIVEN ASSURANCES THAT PROMISED SOVIET MILITARY AID TO INDIA WILL "GO THROUGH AS SCHEDULED," MRS. INDIRA GANDHI SAID TODAY.

MRS. GANDHI, INDIAN MINISTER OF INFORMATION AND BROADCASTING, RETURNED YESTERDAY FROM AN UNOFFICIAL VISIT TO MOSCOW. SHE SAID RUSSIA ALSO HAS PROMISED NOT TO WITHDRAW SUPPORT FROM INDIA IN THE INDIAN-PAKISTAN DISPUTE OVER DIVIDED KASHMIR.

COMMUNIST CHINA HAS VOICED SUPPORT FOR PAKISTAN IN THE DISPUTE.

MRS. GANDHI SPOKE AT A NEWS CONFERENCE. THE POSSIBILITY WAS RAISED THAT COMMUNIST CHINA MIGHT ASK THE END OF SOVIET AID TO INDIA AS A CONDITION OF A SINO-SOVIET RAPPROCHEMENT.

"INDIA MUST BE ALERT TO CHANGES IN BOTH THE WEST AND THE SOVIET UNION," SHE SAID, NOTING THE RUSSIAN ASSURANCES.

U.S. BASES TO BE INCLUDED IN INDONESIA CAMPAIGN

JAKARTA (UPI)--AMERICAN MILITARY BASES ARE NOT EXEMPTED FROM INDONESIA'S OVERALL GOAL OF EXCLUDING ALL COLONIAL AND IMPERIAL FORCES FROM SOUTHEAST ASIA.

IN A WRITTEN MESSAGE TO A STUDENT SEMINAR HERE SATURDAY, DEFENSE MINISTER GENERAL A. H. NASUTION STRESSED INDONESIA'S DETERMINATION TO CONTINUE HER ANTI-MALAYSIA CAMPAIGN UNTIL "ALL FOREIGN MILITARY BASES HAVE BEEN WIPED OUT FROM SOUTHEAST ASIA."

NASUTION'S MESSAGE WAS READ TO THE SEMINAR BY DEPUTY ARMED FORCES CHIEF OF STAFF MAJOR GENERAL WALUJO PUSPOJUDO.

IT DID NOT SPECIFICALLY MENTION AMERICAN BASES IN THE PHILIPPINES OR BRITISH BASES IN MALAYSIA.

HOWEVER, NASUTION CLAIMED THAT KNOWLEDGE OF INDONESIA'S DETERMINED AIM OF WIPING OUT ALL FOREIGN MILITARY BASES HAS CAUSED PHILIPPINES PRESIDENT DIOSDADO MACAPAGAL TO VIEW THE MAPHILINDO ASSOCIATION (A PLAN FOR A LOOSE FEDERATION OF MALAYSIA, INDONESIA AND THE PHILIPPINES) AS THE ONLY WAY TO ACHIEVEMENT OF STABILITY IN SOUTHEAST ASIA.

RED CONGOLESE REBELS HOLD WHITE HOSTAGES

LEOPOLDVILLE (UPI)--THE LIVES OF WHITE HOSTAGES IN REBEL-HELD TERRITORY MAY BE FORFEITED UNLESS BELGIANS REFRAIN FROM TAKING PART IN MILITARY OPERATIONS AGAINST THE COMMUNIST-BACKED INSURGENTS IN THE CONGO, IT WAS REPORTED TODAY.

THE WARNING CAME IN A MESSAGE SENT BY BARON PATRICK NOTHOMB, BELGIAN CONSUL IN REBEL-HELD STANLEYVILLE, OVER THE AIR CONTROL TOWER RADIO TO THE BURUNDI CAPITAL OF BUJUMBURA LAST THURSDAY. THE MESSAGE WAS RELAYED HERE TODAY.

DIPLOMATIC SOURCES SAID THE MESSAGE APPARENTLY WAS DICTATED BY NOTHOMB, POSSIBLY UNDER DURESS.

THERE ARE ABOUT 1,000 WHITES IN THE REBEL-HELD AREAS IN THE EASTERN CONGO.

NOTHOMB CONFIRMED THAT "ALL BELGIANS AND AMERICANS, INCLUDING THE CONSULATE STAFF, ARE UNDER HOUSE ARREST" IN STANLEYVILLE, THE CAPITAL OF THE REBEL "CONGOLESE PEOPLE'S REPUBLIC."

THE BELGIAN CONSUL'S MESSAGE WAS TRANSMITTED THE SAME DAY THAT REBEL "PRESIDENT" CHRISTOPHE GBENYE THREATENED TO APPLY A SCORCHED EARTH POLICY IF AFRICAN NATIONS DID NOT INTERVENE IN THE CONGO'S REBELLION.

REBEL AUTHORITIES HAVE STATED REPEATEDLY THEY NO LONGER CAN GUARANTEE THE SAFETY OF WHITES IF FOREIGN GOVERNMENTS CONTINUE TO PROVIDE MILITARY ASSISTANCE TO THE GOVERNMENT OF PREMIER MOISE TSHOMBE.

THERE IS GROWING CONCERN HERE FOR THE FATE OF MORE THAN 1,000 WHITES TRAPPED IN REBEL-HELD AREAS, PARTICULARLY IF THE INSURGENTS ARE HARD PRESSED BY ADVANCING GOVERNMENT TROOPS AND DECIDE TO TAKE REVENGE ON THE FOREIGNERS.

KETTERING, ENGLAND (UPI)--WHEN COLIN BARWELL'S HEADMASTER COMPLAINED ABOUT HIS BEATLE-STYLE HAIRCUT, HE WENT TO THE BARBER SHOP AND RETURNED TO SCHOOL WITH THE YUL BRYNNER LOOK.

WILL FIGHT FOR CONCORDE

LONDON (UPI)--BRITISH NEWSPAPERS REPORTED TODAY THAT BOTH THE CONSERVATIVE PARTY AND THE BRITISH AVIATION INDUSTRY WOULD FIGHT TO PREVENT THE LABOR GOVERNMENT FROM CANCELLING THE ANGLO-FRENCH DEVELOPMENT OF THE SUPERSONIC AIRLINER, CONCORDE.

THE CONSERVATIVE DAILY EXPRESS SAID THAT THE TORIES WOULD HOLD THEIR FIRE UNTIL THE CABINET ANNOUNCED THE RESULTS OF ITS "URGENT RE-EXAMINATION" OF THE PROJECT.

THE SUN REPORTED THAT THE SOCIETY OF BRITISH AEROSPACE COMPANIES WAS RALLYING THE ENTIRE INDUSTRY FOR WHAT WAS REGARDED AS A FIGHT FOR SURVIVAL.

THERE WAS CONTINUED RUMBLING FROM ACROSS THE CHANNEL, WHERE THE FRENCH AIR INDUSTRY WAS ALSO THREATENED BY THE FEARED BRITISH PULLOUT.

FIRST EAST GERMANS VISIT WEST TODAY

FRANKFURT (UPI)--THE FIRST EAST GERMANS ALLOWED TO LEAVE SINCE THE COMMUNIST WALL WENT UP THREE YEARS AGO STREAMED INTO THE WEST TODAY.

LAUGHING AND WEeping, THE ELDERLY EAST GERMANS TROOPED FROM INTERZONAL TRAINS IN WEST BERLIN, FRANKFURT, HANNOVER, MUNICH, DUISBURG AND OTHER WEST GERMAN CITIES TO EMBRACE DEAR ONES CRYING JUST AS JOYFULLY.

THE FIRST 500 OF AN ESTIMATED 1.6 MILLION MEN OVER 65 AND WOMEN OVER 60 REACHED WEST BERLIN ABOUT 8.

ANOTHER 250 LEFT A SPECIAL DRESDEN-LEIPZIG TRAIN SCHEDULED TO ARRIVE IN FRANKFURT DAILY AT 8:35 UNTIL JAN. 15, TO EASE THE EXPECTED BURDEN OF THE REGULAR INTERZONAL RUNS.

HUNDREDS OF WEST GERMANS, MANY CARRYING SMALL CHILDREN THEIR GRANDPARENTS UNDER COMMUNIST RULE HAD NEVER SEEN, THROGGED THE FRANKFURT RAILWAY STATION.

"OMA! OMA! HIER, HIER;" (GRANNY, GRANNY, HERE, HERE.) A FLOWER-WAVING BOY ABOUT FOUR YEARS OLD CRIED, SLIPPING UNDER A PLATFORM GATE AND RUSHING INTO THE RANKS OF ELDERLY ARRIVALS.

NORMALLY STERN STATION OFFICIALS DID NOT CHIDE HIM WHEN HE RETURNED SECONDS LATER TUGGING A WHITE-HAIRED WOMAN BY HER WELL-WORN, PERSIAN-COLLARED CLOTH COAT.

GERMAN RED CROSS AND PROTESTANT AND CATHOLIC TRAVELERS AID SOCIETY REPRESENTATIVES HELPED THE FRAILER OLD PEOPLE FROM THE TRAINS.

THE COMMUNISTS ALLOWED ONLY PEOPLE WHO WOULD NOT BE MISSED IF THEY DECIDED TO STAY IN THE WEST TO MAKE THE JOURNEY.

SOUTH VIET NAM FORCES SCORE HEAVILY ON CONG

SAIGON (UPI)--THE VIETNAMESE AIR FORCE KILLED 93 COMMUNISTS DURING SIX RECENT DAYS IN OCTOBER, THE DEFENSE MINISTRY SAID TODAY.

IT SAID 55 RED TROOPS WERE KILLED IN A SINGLE ATTACK ON OCTOBER 23 AGAINST A VIET CONG GUERRILLA BASE ABOUT 320 MILES NORTHEAST OF SAIGON.

THE FOLLOWING DAY, THREE MORE COMMUNISTS WERE KILLED WHEN FIGHTERS CAME TO THE RESCUE OF A GOVERNMENT OUTPOST UNDER ATTACK ONLY 30-MILES NORTHEAST OF SAIGON.

FIGHTERS STRAFED AND BOMBED A COMMUNIST BATTALION IN THE MEKONG DELTA ON OCTOBER 26, KILLING 12 MORE.

THE SPOKESMAN SAID 23 OTHER REDS WERE KILLED IN SCATTERED AIR STRIKES FROM OCTOBER 23 THROUGH OCTOBER 28.

THE SPOKESMAN ALSO REPORTED THAT TEN COMMUNIST AGENTS WERE CAPTURED IN A SEARCH IN THE MEKONG DELTA ON WEDNESDAY AND TWO MORE IN THE FAR NORTHERN PROVINCE OF QUANG TIN.

ONE OF THE QUANG TIN CAPTIVES WAS A WOMAN, HE SAID.

NIXON SAYS U.S. WAS WARNED OF PROBABLE VIET CONG RAID

MILWAUKEE (UPI)--RICHARD M. NIXON CLAIMED LAST NIGHT THE PENTAGON HAD BEEN WARNED THAT U.S. AIR BASES IN SOUTH VIET NAM WERE VULNERABLE TO ATTACK ONLY TWO DAYS BEFORE A COMMUNIST RAID PUT HALF THE U.S. JET BOMBER FLEET OUT OF COMMISSION.

THE FORMER VICE PRESIDENT SAID YESTERDAY'S PRE-DAWN SHELLING OF THE BIEN HOA AIR BASE--THE LARGEST U.S. BOMBER BASE IN SOUTH VIET NAM--"WAS REALLY THE WORST MILITARY DISASTER SINCE PEARL HARBOR."

THE VIET CONG ATTACK WITH AMERICAN-MADE AMMUNITION DESTROYED OR CRIPPLED ABOUT HALF THE U.S. JET BOMBER CAPACITY IN SOUTH VIET NAM. FOUR AMERICANS WERE KILLED AND 30 INJURED. THE COMMUNISTS ESCAPED WITHOUT ANY KNOWN CASUALTIES.

"IT'S MY UNDERSTANDING THAT TWO DAYS BEFORE THIS ATTACK THE PENTAGON WAS WARNED THAT THESE BASES WERE EXPOSED TO A POSSIBLE MORTAR ATTACK, YET THERE WAS NO DISPERSAL OF AIRCRAFT...THERE WERE NO SECURITY PRECAUTIONS," NIXON SAID.

"THE SITUATION IN SOUTH VIET NAM IS NOW BECOMING DESPERATE. THIS EVENT... WAS REALLY THE WORST MILITARY DISASTER SINCE PEARL HARBOR," HE SAID AT A NEWS CONFERENCE. "IT IS IN THE SAME CHARACTER AS PEARL HARBOR. THIS BASE IS AN AMERICAN BASE AND THESE B57 BOMBERS HAVE NEVER BEEN USED."

"THEY HAVE NEVER BEEN USED AND ARE NOT BEING USED IN THE VIETNAMESE STRUGGLE AT THE PRESENT TIME."

"I'M NO MILITARY EXPERT, BUT ANYONE THAT'S EVER BEEN EXPOSED TO WORLD WAR II OR THE KOREAN WAR KNOWS THAT IS A GREAT REFLECTION ON THE COMMAND STRUCTURE IN VIET NAM," HE SAID.

"IN THE LAST FOUR YEARS, WE'VE HAD THE WORST SERIES OF FOREIGN POLICY FAILURES IN THIS NATION'S HISTORY."

"IF THE PRESENT ADMINISTRATION CONTINUES IN POWER, WE ARE GOING TO GET KICKED OUT OF VIET NAM WITHIN A YEAR. ALL OF SOUTHEAST ASIA WILL GO COMMUNIST WITHIN THREE YEARS AND THEN WE'LL BE IN A WAR TO SAVE THE PHILIPPINES," NIXON SAID.

NIXON SAID THE PRESENT MILITARY COMMAND STRUCTURE IN SOUTH VIET NAM SUFFERS FROM TOO MUCH CIVILIAN INTERFERENCE.

HE SAID U.S. FOREIGN POLICY PROBLEMS ARE THE RESULT OF BASING POLICY ON THE PERSONALITY OF OUSTED SOVIET PREMIER NIKITA S. KHRUSHCHEV. "WE HAVE NO POLICY AT THIS TIME," HE SAID.

"IT HAS BEEN BASED ON THE ASSUMPTION THAT POLICIES SHOULD BE CHANGED ACCORDING TO WHAT THE PERSON IN THE KREMLIN HAPPENS TO BE THINKING OR DOING AT A PARTICULAR TIME," NIXON SAID.

CASTRO CONFESSION

HAVANA (UPI)--PREMIER FIDEL CASTRO ADMITTED LAST NIGHT THAT THE U.S. ECONOMIC EMBARGO CANNOT BE BLAMED FOR ALL OF CUBA'S TROUBLES.

"OUR INEXPERIENCE, OUR INCAPACITY, AND OUR IRRESPONSIBILITY HAVE ALSO BEEN THE CAUSE OF MANY OF OUR DIFFICULTIES," HE SAID. "THE BLOCKADE CAN'T BE USED AS A PRETEXT."

CASTRO, ADDRESSING A HAVANA TRANSPORT WORKERS' CONGRESS, SAID THAT THE U.S. RESTRICTIONS ON TRADING WITH CUBA SHOULD SERVE AS A STIMULUS TO THE ISLAND'S ECONOMIC EFFORT.

IN A TWO-HOUR SPEECH THAT ENDED AT MIDNIGHT, HE WAS OPTIMISTIC IN HIS FORECASTS ABOUT THE ISLAND'S SUGAR CROP, THE MAINSTAY OF THE CUBAN ECONOMY.

THE 10 MILLION TONS ANNUAL PRODUCTION FORESEEN FOR 1970 WILL BE ACHIEVED, HE SAID.

"THE INTERESTING THING IS THAT WHEN WE HAVE ACHIEVED THAT AMOUNT, WE PROBABLY WILL HAVE TO PROMOTE A HIGHER ONE."

THREE FISHERMEN SAFE AFTER 30 HOURS ASEA

KWAJALEIN DAY -- OCTOBER 32ND OF 1964 -- WILL BE A MEMORABLE DAY FOR THREE EMPLOYEES OF GLOBAL ASSOCIATES ON ROI NAMUR, WHO SPENT NEARLY 30 HOURS ON THE LAGOON IN A 16 FOOT SKI BOAT.

DANIEL COSTA, JACK KAU! AND CHARLES COLON LEFT ROI NAMUR AT 7 AM ON KWAJ. DAY FOR A FISHING TRIP IN THE NORTH END OF THE LAGOON. AFTER ABOUT AN HOUR ON THE WATER, THE DISTRIBUTOR ROTOR ON THEIR OUTBOARD MOTOR CRACKED AND LEFT THEM HELPLESS. A TEMPORARY REPAIR LASTED ONLY A SHORT TIME, AND THEY BEGAN TO TAKE STEPS TO ATTRACT ATTENTION TO THEIR FLIGHT, BY MAKING USE OF FLARES ABOARD THE BOAT, AND BY USING TWO FISHING POLES AND THEIR SHIRTS TO FASHION A COMBINATION DISTRESS SIGNAL AND SAIL.

WHEN THEIR ABSENCE WAS NOTED BY A ROUTINE SECURITY CHECK ON ROI NAMUR AT 5:45 IN THE AFTERNOON, AUTHORITIES WERE NOTIFIED AND SEARCH AND RESCUE PROCEDURES WERE IMMEDIATELY SET IN MOTION.

TWO GLOBAL PLANES AND MIKE-BOATS FROM ROI NAMUR WERE DISPATCHED TO SEARCH FOR THE MISSING FISHERMEN, BUT BARELY AN HOUR LATER ALL THREE GAVE UP IN THE DARKNESS.

AT 6 THE FOLLOWING MORNING TWO GLOBAL PLANES AND ONE FROM THE NAVY'S SEA AND AIR RESCUE SQUADRON RETURNED TO THE SEARCH. SHORTLY THEREAFTER, THREE J-BOATS ON FISHING TRIPS FROM KWAJALEIN WERE ALERTED TO LOOK OUT FOR THE BOAT.

TWO CHAPLAIN'S FLIGHTS FROM KWAJALEIN ALSO JOINED THE SEARCH.

AT 10:AM THE SEARCH PATTERNS WERE RE-ORGANIZED, ADDITIONAL VOLUNTEER SCANNERS WERE PICKED UP FROM ROI AND THE SEARCH CONTINUED.

AT 10:45 AM TWO AVR BOATS LEFT THE KWAJALEIN MARINE DEPARTMENT TO JOIN THE EFFORT.

AT 12:10, ONE OF THE GLOBAL PLANES, WHICH HAD DROPPED TO A LOW ALTITUDE TO SCAN THE LAGOON AND ISLAND BEACHES, SPOTTED THE BOAT TWO MILES INSIDE THE LAGOON BETWEEN NORTH PASS AND MELLU PASS, WEST OF ROI. TWENTY MINUTES LATER THE HAPLESS FISHERMEN WERE PICKED UP BY ONE OF THE TWO KWAJALEIN AVR'S.

THE SPOTTING PLANE WAS PILOTED BY JOHN TUCKER AND ACE ALEXANDER OF GLOBAL ASSOCIATES' AVIATION DEPARTMENT. DICK JOYCE WAS NAVIGATOR. THE SCANNER WHO SPOTTED THE BOAT WAS TED ACHEE OF ROI NAMUR, EMPLOYED BY RCA.

A HECTIC AND SOMETIMES FRIGHTENING ORDEAL WAS ENDED WITH ALL HANDS SAFE AND SOUND, INCLUDING PEANUTS, A DOG WHO WENT ON THE FISHING TRIP.

FORMER U.S. CHIEF IN VIET NAM CALLS U.S. POLICY DISASTROUS

WASHINGTON (UPI)--A FORMER CHIEF U.S. MILITARY ADVISER IN SOUTH VIET NAM SAID TODAY U.S. POLICY THERE PRODUCED SOME "DISASTROUS" CONSEQUENCES.

HE ALSO SAID COMMUNISTS HAD INFILTRATED U.S. AND VIETNAMESE MILITARY HEADQUARTERS IN SAIGON--AND SUGGESTED THIS WAS A FACTOR IN CURRENT COMMUNIST MILITARY SUCCESSES.

RETIRED LIEUT. GEN. SAMUEL T. WILLIAMS WHO HAD CHARGE OF TRAINING SOUTH VIETNAMESE SOLDIERS FROM 1955 TO 1960, FURTHER SUGGESTED DIPLOMATIC RATHER THAN MILITARY ERRORS HAVE BLOCKED DEFEAT OF COMMUNISTS THERE.

WILLIAMS, IN AN INTERVIEW WITH U.S. NEWS AND WORLD REPORT, CALLED THE ASSASSINATION OF PRESIDENT NGO DINH DIEM "THE MOST OUTSTANDING MISTAKE IN THE INTERNATIONAL FIELD SINCE THE DEBACLE AT THE BAY OF PIGS...THE U.S. NEEDS HIM NOW, MORE THAN EVER."

HE CITED NUMEROUS DIFFICULTIES BETWEEN U.S. CIVILIAN ADVISERS AND THE DIEM GOVERNMENT--AND BETWEEN U.S. CIVILIAN AND MILITARY OFFICIALS--DURING THE LAST YEARS OF THE EISENHOWER ADMINISTRATION.

"ALL THIS FRICTION AFFECTED INTERNAL SECURITY," HE SAID. "...IT ALLOWED THE VIET CONG TO GROW LARGER AND GAIN MORE CONFIDENCE."

"THEY INFILTRATED VIETNAMESE ARMY HEADQUARTERS. I DON'T THINK THERE WAS A U.S. OR VIETNAMESE GOVERNMENT AGENCY IN SAIGON THAT WASN'T INFILTRATED."

"AN OBVIOUS REASON RIGHT NOW THAT THE VIETNAMESE GET TRAPPED SO OFTEN IN THESE AMBUSHES--OR MAKE SWEEPS AND FIND NOTHING--IS BECAUSE THEIR PLANS ARE KNOWN TO THE VIET CONG BEFORE THEY'RE KNOWN TO THE COMPANY COMMANDERS WHO ARE GOING TO MAKE THE SWEEP."

WILLIAMS SAID, "TO THE BEST OF MY KNOWLEDGE" DIEM WAS TOLD BY THE U.S. EMBASSY IN JUNE 1957, THAT IF HE TRANSFERRED THE CIVIL GUARD TO MILITARY CONTROL, CERTAIN FUNDS FOR THE SOUTH VIETNAMESE GOVERNMENT WOULD BE WITHHELD BY THE STATE DEPARTMENT.

"THE CONSEQUENCES WERE DISASTROUS," HE SAID.

WILLIAMS, A VETERAN OF 44 YEARS SERVICE WHO NOW LIVES IN SAN ANTONIO, TEXAS, SAID "PRESIDENT DIEM AND HIS GOVERNMENT AGENCIES GOT RECOMMENDATIONS FROM AMERICANS AT VARIOUS TIMES THAT THEY QUESTIONED, BUT, IN THE ATTEMPT TO PLEASE AND TO COOPERATE, THEY WENT AHEAD AND CARRIED OUT THESE RECOMMENDATIONS."

"TIME FREQUENTLY PROVED THE U.S. RECOMMENDATIONS WERE IN ERROR AND THE VIETNAMESE WERE RIGHT IN THE FIRST PLACE. IN MY OPINION, THIS CAUSED THE VIETNAMESE TO LOSE CONFIDENCE IN OUR FINANCIAL AND ECONOMIC ADVISERS."

"THANKS FOR HELPING ME WITH MY WORK," IT SAID.

EMBASSY (CONTINUED FROM PAGE ONE)

SHORTLY AFTER THE DISCOVERY, U.S. AMBASSADOR JOHN M. CABOT LODGED A FORMAL PROTEST WITH THE POLISH FOREIGN MINISTRY. POLISH AUTHORITIES DENIED ANY KNOWLEDGE OR RESPONSIBILITY FOR THE LISTENING SYSTEM, THE STATE DEPARTMENT SAID.

DEPARTMENT PRESS OFFICER ROBERT J. MCCLOSKEY SAID THE EMBASSY WAS EQUIPPED WITH A "SECURE ROOM" WHERE CLASSIFIED DISCUSSIONS WERE HELD. THIS IS, IN EFFECT, A ROOM WITHIN A ROOM, DESIGNED TO MAKE ELECTRONIC EAVESDROPPING IMPOSSIBLE.

EMBASSY PERSONNEL ALSO WERE GIVEN STANDARD INSTRUCTIONS THAT ANY CONVERSATIONS THEY HELD OUTSIDE THE SECURE ROOM BE MONITORED.

OFFICIALS SAID INVESTIGATION OF THE BUGGING HAS NOT YET REACHED THE POINT WHERE IT COULD BE CONCLUDED DEFINITELY WHETHER ANY CLASSIFIED INFORMATION MAY HAVE BEEN COMPROMISED.

CONSTRUCTION OF THE MODERN, CONCRETE AND GLASS BUILDING BEGAN OCT. 1, 1960. THE BUILDING IS ON GROUND LEASED BY THE UNITED STATES FOR 80 YEARS, RENEWABLE FOR ANOTHER 20.

KREMLIN PROMISES NEW DEAL; WARNS OF "MAD MEN" IN U.S.

MOSCOW (UPI)--NIKITA S. KHRUSHCHEV'S KREMLIN HEIRS TODAY PROCLAIMED A NEW DEAL FOR RUSSIAN HOUSEWIVES AND PLEDGED TO SEEK BETTER RELATIONS WITH THE WEST DESPITE AMERICAN "MAD MEN."

THE KREMLIN RULERS SPELLED OUT THEIR POLICIES FOR THE FIRST TIME IN THREE PAGES OF EDITORIALS IN THE OFFICIAL PARTY ORGAN PRAVDA AND IN RADIO BROADCASTS TO THE NATION.

IN A COUNTRY WHERE WAREHOUSES BULGE WITH AN OFFICIALLY ESTIMATED \$2 BILLION WORTH OF UNSOLD SHODDY GOODS, THE NEW LEADERSHIP SAID THE PEOPLE ARE TIRED OF A "TAKE WHAT-EVER YOU ARE OFFERED" ATTITUDE. "THIS IS NO LONGER IN VOGUE," THE PARTY PAPER PRAVDA SAID. "WHAT THE PEOPLE WANT IS NOT JUST ANY TEXTILES, CLOTHES, SHOES OR FURNITURE BUT GOOD FASHIONABLE ATTRACTIVE GOODS."

THE NEW SOVIET LEADERS PROCLAIMED THEIR ALLEGIANCE TO PEACEFUL COEXISTENCE AND PROMISED TO ACTIVELY PURSUE GOOD RELATIONS WITH THE WEST.

BUT, PRAVDA SAID, EFFORTS MUST BE MADE TO OVERCOME "THE ACTIVITY OF" THE MAD MEN IN THE UNITED STATES.

POLL (CONTINUED FROM PAGE ONE)

HARRIS MADE THESE OTHER OBSERVATIONS:

--JOHNSON STANDS A BETTER CHANCE OF CARRYING THE NORMALLY REPUBLICAN SUBURBS IN THE NORTH THAN ANY DEMOCRAT IN MODERN TIMES.

--GOLDWATER BIDS TO BECOME THE FIRST REPUBLICAN IN THIS CENTURY TO CARRY SMALL TOWNS AND RURAL COUNTRIES IN THE SOUTH.

--JOHNSON MAY GAIN ONLY SLIGHTLY ON THE MARGIN WITH LABOR VOTERS ATTAINED BY THE LATE PRESIDENT JOHN F. KENNEDY FOUR YEARS AGO.

--AMONG ETHNIC GROUPS, JOHNSON MAY CUT HEAVILY INTO CUSTOMARY REPUBLICAN POPULARITY WITH AMERICANS OF GERMAN DESCENT. HE MAY NOT DO AS WELL AMONG THOSE OF ITALIAN DESCENT AS KENNEDY DID, BUT MAY DO BETTER THAN HIS PREDECESSOR AMONG THOSE OF IRISH ANCESTRY.

U.N. OPENER POSTPONED

NEW YORK (UPI)--U.N. SECRETARY GENERAL THANT ANNOUNCED TODAY THE OFFICIAL POSTPONEMENT OF THE GENERAL ASSEMBLY OPENING FROM NOV. 10 TO DEC. 1.

A POLL OF U.N. MEMBERS THAT BEGAN NINE DAYS AGO SHOWED 98 INFAVOR OF POSTPONEMENT AND NONE OPPOSED, WITH 14 DEFERENTIALS STILL TO BE HEARD FROM.

U.S. WILL REPLACE BOMBERS DESTROYED IN VIET CONG RAID

WASHINGTON (UPI)--THE UNITED STATES IS MOVING QUICKLY TO REPLACE THE AMERICAN BOMBERS DESTROYED OR DAMAGED IN THE SURPRISE COMMUNIST ATTACK ON BIEN HOA AIR BASE IN SOUTH VIET NAM.

IT ALSO IS TAKING STEPS TO TIGHTEN SECURITY AND PREVENT A REPETITION OF THE RED MORTAR BARRAGE THAT KNOCKED OUT OR CRIPPLED 21 U.S. B57 JETS.

U.S. OFFICIALS RULED OUT ANY IMMEDIATE U.S. RETALIATION AGAINST NORTH VIET NAM FOR THE RAID. THEY DID NOT RULE OUT LONG-RANGE MEASURES AGAINST THE REDS, BUT INDICATED THESE WOULD BE GEARED TO THE OVERALL WAR EFFORT RATHER THAN TAKE THE FORM OF DIRECT REPRISALS.

THERE WAS NO IMMEDIATE ADMINISTRATION COMMENT ON REPUBLICAN PRESIDENTIAL CANDIDATE BARRY M. GOLDWATER'S SUGGESTION THAT THE RED ATTACK MIGHT HAVE BEEN MADE BECAUSE THE COMMUNISTS FEARED HIS ELECTION AND WANTED TO KEEP PRESIDENT JOHNSON IN THE WHITE HOUSE.

PRESIDENT JOHNSON, AFTER MEETING WITH HIS TOP ADVISERS YESTERDAY, ORDERED ADDITIONAL PLANES FLOWN TO BIEN HOA TO REPLACE THOSE PUT OUT OF ACTION. ADDITIONAL U.S. SECURITY PERSONNEL ALSO MAY BE SENT TO GUARD THEM.

WHITE HOUSE OFFICIALS SAID FURTHER APPROPRIATE STEPS WERE BEING CONSIDERED IN CO-OPERATION WITH VIETNAMESE OFFICIALS TO TIGHTEN SECURITY MEASURES. THEY DID NOT ELABORATE.

ASLEEP (CONTINUED FROM PAGE ONE)

ON THE SAME SUBJECT, THE NEW YORK TIMES SAID:

"WHAT IS BEING DONE TO ASSURE MORE TRUSTWORTHY PROTECTION FOR THE AMERICAN PLANES AND FLIERS IN VIETNAM REMAINS OBSCURE, DESPITE STATEMENTS ISSUED BY THE WHITE HOUSE AND BY GENERAL WESTMORELAND AT BIEN HOA. PRESIDENT JOHNSON'S DECISION TO SEND IN REPLACEMENTS FOR THE SMASHED BOMBERS IS DESIRABLE AS A SHOW OF RESOLUTION BUT IT DOES NOT ANSWER WHAT WE INTEND TO USE THE BOMBERS FOR. THEY HAVE BEEN ON STANDBY ASSIGNMENT IN VIETNAM SINCE THE AUGUST SHOOTINGS IN THE GULF OF TONKIN."

"THE NEWEST INCIDENT MAKES MORE EVIDENT THAN EVER THE URGENCY OF MOVING SWIFTLY AFTER TOMORROW'S ELECTION TO CLARIFY BASIC AMERICAN POLICY ON OUR OBJECTIVES IN VIETNAM AND HOW WE CAN PROCEED MOST EFFECTIVELY TO END THE FIGHTING ON A BASIS THAT WILL NEUTRALIZE THAT UNHAPPY COUNTRY."

SMITH CALLS FOR MANDATE

SALISBURY RHODISIA (UPI)--PRIME MINISTER IAN SMITH TODAY LAUNCHED A MASSIVE DIRECT MAIL APPEAL FOR "YES" VOTES IN RHODESIA'S THURSDAY REFERENDUM ON NATIONAL INDEPENDENCE.

THE STATEMENT FROM SMITH, WHICH BEGAN "FELLOW RHODESIAN," SAID IT WAS VITAL FOR THE CITIZENS TO UNITE IN ORDER TO "SEVER THE FINAL STRINGS WHICH TIE US TO BRITAIN AND WHICH RENDER US A PAWN AT THE DISPOSAL OF THE BRITISH GOVERNMENT."

SMITH SAID IN THE APPEAL "WE HAVE NO HOPE FOR SURVIVAL" IF THE REFERENDUM DOES NOT CARRY. HE AGAIN EMPHASIZED THE REFERENDUM WAS NOT FOR A UNILATERAL DECLARATION OF INDEPENDENCE.

HE SAID THE VOTE WILL SIMPLY CARRY OUT RHODESIA'S PART OF THE BARGAIN WITH BRITAIN TO TEST THE OPINION OF THE ELECTORATE ON THE INDEPENDENCE ISSUE.

"UNFORTUNATELY," HE SAID, "WE HAVE TO DEAL WITH THE GOVERNMENT AND NOT THE PEOPLE."

"WE EITHER GO UNDER--OR BREAK AWAY AND SURVIVE. WHATEVER PRICE WE PAY, I AS A RHODESIAN THINK IT CHEAP IN COMPARISON WITH WHAT WE STAND TO LOSE."

SYDNEY, AUSTRALIA (UPI)--JACK NICKLAUS OF COLUMBUS, OHIO, WON THE AUSTRALIA OPEN GOLF CHAMPIONSHIP SUNDAY WHEN HE FIRED A FIVE-UNDER-PAR 67 IN AN 18-HOLE PLAYOFF AGAINST AUSTRALIA'S BRUCE DEVLIN.

DEVLIN CARDED A 70 IN THE TOURNAMENT'S FIRST PLAYOFF SINCE 1948. THE PAIR FINISHED THE REGULATION 72 HOLES YESTERDAY WITH 287'S.

NICKLAUS OPENED A ONE-STROKE LEAD OVER DEVLIN ON THE FRONT NINE AT THE LAKES COURSE BY POSTING A 33 AND TRAVELED THE BACK NINE IN 34.

BILLS STILL UNBEATEN

AS SEASON NEARS END

THE SEARCH IS STILL ON FOR AN AMERICAN FOOTBALL LEAGUE TEAM CAPABLE OF BEATING THE BUFFALO BILLS. HOUSTON TRIED YESTERDAY FOR THE SECOND TIME THIS SEASON --BUT, DESPITE A RECORD PASSING PERFORMANCE BE GEORGE BLANDA-- THE OILERS DROPPED A 24-10 DECISION AFTER LEADING FOR THE FIRST THREE QUARTERS. BLANDA COMPLETED 37 OF THE 68 PASS ATTEMPTS, BUT STILL COULD NOT STOP THE BILLS FROM WINNING THEIR EIGHTH IN A ROW.

THE KANSAS CITY CHIEFS BUILT UP A 42-10 LEAD OVER DENVER MIDWAY THROUGH THE THIRD QUARTER AND THEN HAD TO HANG ON FOR DEAR LIFE BEFORE DEFEATING THE BRONCOS, 49-39. AT ONE POINT, LATE IN THE GAME, DENVER MOVED TO WITHIN 42-39, BUT THEN LOST A POSSIBLE TOUCHDOWN WHEN ONE OF ITS RECEIVERS FUMBLER AWAY A PASS ON THE GOAL LINE.

IN THE ONLY OTHER AFL GAME YESTERDAY, THE SAN DIEGO CHARGERS STAYED TWO GAMES IN FRONT OF THE WESTERN DIVISION WITH A 31-17 VICTORY OVER OAKLAND.

NEW YORK (UPI)--THE NEW YORK YANKEES ANNOUNCED TODAY THAT PITCHER WHITEY FORD WILL UNDERGO SURGERY NEXT WEEK TO CORRECT AN ARTERIAL BLOCKAGE IN HIS LEFT SHOULDER. FORD WAS TROUBLED BY THE AILMENT DURING THE SERIES WITH THE ST. LOUIS CARDINALS

IT WAS INDEED A VERY LONG AND HECTIC WEEK-END! WHERE THE SPECTATORS THAT ATTENDED THE ALL-STARS-WECO AND THE GIANTS-DODGERS GAME ON KWAJ DAY WERE GIFTED WITH BASEBALL'S RARE FEATS-- A TRIPLE PLAY AND A NO-HITTER.

ALL-STARS-WECO GAME

THE WECO RIGGERS GAVE EVIDENCE AS TO WHY THEY ARE THE MEN'S FAST PITCH CHAMPIONS, WHEN THEY TAMED THE ALL-STARS 9-4.

JACK EMERY AND CARTER MORGAN PITCHING COMBINATIONS LIMITED THE STARS WITH JUST 5 HITS.

WECO SCORED ONLY ON TWO INNINGS: THE FIRST AND FIFTH -- THEY GOT FOUR RUNS IN THE FIRST, SPARKED BY LEO COLLYAR'S 330 FT. HOME RUN IN THE LEFT FIELD. AND AGAIN IN THE FIFTH FOR FIVE RUNS, WHEN JOHN STAVOLE STARTED IT OFF WITH HIS 340 FT. HOME RUN ALSO IN LEFT FIELD. THE STARS SCORED ONCE IN THE THIRD AND FOURTH AND TWO IN THE SEVENTH.

THE STARS CAME UP WITH A TRIPLE PLAY IN THE SIXTH INNING. AFTER JOHN STAVOLE AND NORD DIETZ WALKED, LEO COLLYAR LINED ONE RIGHT TO CHARLIE KEEFE WHO THEN TOUCHED SECOND AND THREW TO FIRST CATCHING STAVOLE AND DIETZ OFF THEIR BASES.

SWAJKOSKI NO-HITS DODGERS

JOHN SWAJKOSKI STARTED OFF HIS LITTLE LEAGUE SEASON IN PERFECT STYLE WHEN HE NO-HIT THE DODGERS ON KWAJ. DAY. AS THE GIANTS DEFEATED THE DODGERS 4-1. IT WAS A REAL PITCHING DUEL BETWEEN SWAJKOSKI AND LINDY CRAIG, AS BOTH PITCHERS STRUCK OUT 14 BATTERS EACH. THE DODGERS' ONLY RUN, CAME IN THE 4TH INNING WHEN SWAJKOSKI WALKED FOUR BATTERS IN A ROW. S. HEWITT GOT TWO OF THE GIANTS' 5 HITS.

GIANTS-CARDINALS

THE GIANTS PLAYING AGAIN ON SUNDAY NOV. 1 SHOWED THAT THEY ARE THE TEAM TO BEAT AS THEY RAN WILD AND DEFEATED THE CARDINALS 17-3 IN FOUR INNINGS (ON THE 10-RUN RULING). KEN FARRELL WITH THREE SINGLES, JOHN SWAJKOSKI WITH TWO SINGLES AND BLACK'S TWO TRIPLES WERE THE RUN-GETTERS FOR THE GIANTS WHILE MEANS, NORTON, LILES AND SNYDER GOT THE FOUR HITS OFF AGE.

on Aloha A. Lihue to Hono. I have numbered

✓ Church
Mrs. 3/16/64

Please send us 500 #2 bands.
We don't have any and anticipate
the use of some on the offshore islands
on Business P. & Navy-backed T.

Thanks for the advance. Please
send a copy of the statement of expenses
when you can. Also, can you give me a
cost figure on plane fare from Washington
to Hono so I can subtract it from the cost
of my Wash to Miami to Cleveland to Hono ticket,
thereby knowing how much I can expect to
receive.

It's good to be back in the land
of sunshine, especially after snow and
ice storms in Cleveland. Two days of
that gage was more than enough. We
got spoiled out here I guess.

Also does this advance include
the \$390 or so that is coming to me
in expenses or will that follow?

Bob, Dick, Dr Ely + Dr Huxley all
join me in sending you all our love.

Cheers.

Warren

P.S. Bob says excess baggage or his overweight
would have been \$56. Instead, air freight was
\$24, less than half. Pres. Johnson would be
proud of him.

Dear Maryanna:

I just thought I should reassure you that you have a live body here to send to the next assignment. I have not expired or anything during the last 3 months.

Hope you had a very enjoyable blast on your vacation. It was certainly well deserved, though it couldn't have been a very long one since there was no interruption in the flow of witty comments emanating from your beehive.

As yet I have no picture that wouldn't frighten Mrs. Weiss to death; I'll try to come up with one before the project ends. However I am enclosing some which you must treasure always. That's me in the small one- Ken Surly. Dave and I ²were temporarily blinded from too much bird watching (or rocket shots- or perhaps the glittering night life on Johnston). In case you don't have one, I thought you would also like one of old Bob Paunch.

I note that on my latest new ly revised, temporary tentative field schedule I am to leave Honolulu July 1 though the Starbrite gets in June 18. I would like to get back to D.C. in late June- early July and to take a week- 10 days or so off, depending upon how much leave I have accumulated or can take. I wouldn't mind spending part of the summer in Washington, or if this is not feasible, perhaps taking leave later. I will let you know more definitely as soon as possible.

Ken Surly

Dear Maryanna:

Progress Report 27: Six ATF's sunk. all personnel hung in the sun to shrivel. Other big wheels covered with honey and staked out on ant hills. All Pacific Project data burned. ----- It's a shame to have to wake up from such great dreams. As the last ATF sinks in the west one sees Captain R. y swimming frantically for shore where two S.I. personnel are slowly roasting Huber over some hot guano. (This typewriter doesn't wrtietype so great since Huber put it in the luggage on the airplane - It s^o r^{ta} like warped it.)

To return to the serious and muck-a-day world. Things are going great. The present party works so hard that they accumulate a great back log of records, etc. which keeps there nobile leader working until all hours of the forenoon.

Unlike previous trips there is nothing to bitch about and Hackman and I spend all day hiding things and then jumping on some poor assistant for misplacing it. The assistant then has to race off and find it and return with proper excuses.

The ship is still the best one we have had (i.e next to Lipan of Feb., 1964) although the captain is a little dangerous on the Islands. "Say Fred did You see my new pistol. It shoots 25 rounds a minute. Watch! " At this point the entire liberty party starts digging down to the water table while the captain riddles everything in sight and half a dozen objects on the next island. I don't know how good he is sober but after 1 beer (case that is) he can't even hit a twenty foot and sand bank. He has very kindly offered to exterminate the cats on Jarvis with his trusty (i.e always goes off) over and under, automatic with automatic reloading of magazine, rapid fire, 400 mm noise maker. HA man says he can't bare to see anyone kill a cat and that he will stay on the ship (far side) while the captain is on the island.

The ship brought along 30 cases of beer which they dole out three cases to a liberty party. The captain comes over with all the nondrinkers and the XO with the drinkers. At first I thought this was because the captain didn't like drunken sailors around. It turns out that the real reason is that the captain doesn't like to see people drinking HIS!!! beer. If he doesn't get at least a case once a week he snaps and snarls until the next party.

The photographer is really a load of laughs. Since the equator crossing he has been all smiles and lugs his ten tons of equipment all over the island to get the true flavor of ATF life(yes he even sank in up to his knees and had to be pulled out). On* Sydney Island he got even with Hackman while photographing our hero assistant leader fighting his way out of waist deep guano. Just as Doug started down for the third time Bill yelled "wait, hold it, I have to change film." After three minutes Doug was allowed to continue his struggle for freedom. Needless to say Hack was finished for the day.

Al (death) and Paul (near death) are finally adjusting to the rigors of ATF life. Merrill after being counted out of the ring has sprung back with a second wind and is going strong. Sibley not having to contend with Huber or Clapp has found that there is nothing to be sick about on these ships and is h-ving a great time. Even breaking all Hubers old records by turning out 23 birds in one day. Long has found that growing a beard wards off seasickness. Unfortunately he shaved it off yesterday and hasn't moved out of his rack since. Hacks one big pleasure in life is to complain and he's not going to change now " just because we have a few new assistants."

Dear Maryanna:

Thanks for the tubes and syringes. Ely tells me you are doing the street walking now or whatever it was that Sany did to get supplies.

How about convincing Thompson that ATF life is just for him. Maybe he'll take 3 or 4 if you approach him right.

Annual report destroyed. What a joy to tear up hours of labor. Thing what a thrill I could get throwing away the original and all copies.

The ATF sends a faint hello, there too tired, to all the young and mature levelers at the S.I. Hack says to order 6 new wheels for next trip. The dragging — marks are marring the look of the island.

The Captain has a buddy now who also likes to shoot birds. They are known as the Bobsey Twins. The regular is "Good Old Tom Mix". Drunk or sober he can't hit the broad side of a body.

regards
Fred.

Roger Clapp

(Presently skinning birds in Kwajalein - gaining on Huber at a rate of two a day. He is already outbanded so no need to compete ~~there~~. In any case :

Dear Maryanna:

Regards and all that. Has Doctor Ely communicated with you about the unfortunate fact that I have no shot record? If possible could you have the clinic over on C. street make up a duplicate and will you send it to Dr. Ely ? I am not at all sure that I want back in to the U.S. but you can never tell. Kwad is probably the most outreaching part of suburbia I have met yet. Teen age bake sales, the Little League, the Boy Scouts, etc are all represented. Fortunately only moderately nauseating.

No comment on the poem ? It was not very good but there was a moral involved. Namely, I need money. Lots of it. How do you expect me to bring you back good liquor at ridiculously low prices if I have no cash? Got 5 5ths of a moderately good gin (Gilbey's) for 4.90.

Tiger has done nothing remarkably idiotic this trip. As a matter of fact he has been moderately sharp, not to say arrogant. Yesterday with typical elan he carried through on a typical Huber maneuver. A spotted ray was seen drifting alongside the ship. Huber, fish collector par excellance immediately grabbed a spear, No he couldn't find it, grabbed his camera, dropped that, grabbed a spear and harpooned said beastie. As the ray sounded and pulled the spear lower and lower, intrepid Huber leaped overboard, (He wears no more than a bathing suit nowadays) and brought it to shore. Its a new record for Kwad according to Schultz.

^Do not forget money : (Please)
Roger.

P.S. I am afraid Huber's personal competition with me is bound to lead him from the paths of righteousness. His latest ambition is to drink me under the table (hopeless as this ambition may be) The other night he consumed 12 Tom Collins. (He claimed 13, but in his state one may consider it no more than a C class estimate.)

Went out along the airstrip yesterday and collected 11 birds. Best days collecting the trip has yet had. 3 species of duck collected, plus a fourth Shoveller seen. 5 Sharp-tails, a Sanderling, a Whimbrel (surprise no BTCs on Kwad some 8 Whimbrels) and unknown sandpiper (smaller than Sharp-tail) which I believe represents a new species for the Project. (This note only to scoop Binion. No longer editor of the droppings I guess I'll have to settle for top reporter or something) Larry was, as you might guess, more than a little jealous.

Regards and all that -

Rog.

P.S.S.

Huber and company evened up today with a Black-bellied Plover and a Snipe. Never mind. Today I'm going to shoot a Marbled Godwit and put myself ahead of him again.

Dear Maryanna:

We are supposed to recieve mail at 6:45 today and don't leave until 8 so there will be a little time to reply to any important questions you may ask. If I include any replies to Dr. Ely would you pass them on. I don't have the energy to write two letters to S.I. people.

No mail.
